

JAMES MADISON COLLEGE RESOURCES

Advisors: Madison faculty and academic staff are your FIRST STOP for all questions related to the academic program, course selection and scheduling, choice of major, internship and career opportunities, difficulties in your life that may pose obstacles to academic success, and College and University Resources. You will receive an email from the College informing you of your academic advisor. If you lose this information, please use the online academic advising tool on the JMC website (jmc.msu.edu). This can be found under the Advising section of the Current Students page.

Field Experience Office: During the sophomore and junior years, students should consult with the Field Experience Coordinator and explore more than 500 internship opportunities in the U.S. & around the world. For more information or to make an appointment please visit jmc.msu.edu/students/field-experience.

Career Services: James Madison has its own career consultant whose role is to assist students in exploring potential career paths, preparing for professional opportunities during and after college, and making connections to put their career plans in motion.
