Uniquely James Madison College
James Madison College at MSU offers sophisticated multidisciplinary programs in the social sciences founded on a model of liberal education and designed to prepare students for law school, graduate study, decision-making roles in public and private enterprise, and careers in government, media, politics, social services, public administration, education, business, and the foreign service. Students examine how public policy problems are identified, analyzed, and resolved in the US and globally. It is an unusual, exciting, innovative place where students and scholars examine and debate important public affairs issues.
