\(^1\) A student may petition the Coordinator of STEPP to allow for any class not on this list to be accepted in fulfillment of any of the five required categories. In these cases, the final decision is left to the Coordinator, and students should always seek approval before enrolling in the class.

\(^2\) At least two of the six courses in the Public Policy, the Science Applications, or the History, Philosophy and Sociology of Science requirements must be taken outside for the student's major department.
