

Welcome to JMC!

We are excited to meet you at your upcoming Transfer NSO advising and enrollment appointments. As you prepare for those appointments, please note the following information:

- Your advisor is going to ask you to declare your JMC major during your advising appointment, as this will dictate which classes you will enroll to take this academic year. If you would like to discuss the possibility of declaring a major different than the one you noted on your MSU application, please talk with your advisor during this meeting. Information on the majors is available in the JMC Handbook which you should [download](#) and review.
- It will be very important that you have a list of any previous or expected transfer credit available for us to review with you.
- If you plan to study a language that you have previously studied (HS) but will not be transferring any credit for the language, please make sure that you take the language [placement exam](#) prior to your advising appointment. This will give us the appropriate level for enrollment. Students with prior experience and no transfer credit are required to have a placement on file to continue with that language.
- If you have any academic interests outside of JMC, please let your advisor know during your appointment. The full list of undergraduate majors and minors are available on the [Office of Registrar's webpage](#).

If you have any questions or concerns prior to your NSO date, please let me know. I can be reached at thornh12@msu.edu or 517-884-1385.

Thank you,

Lindsay Snyder
Assistant Director for Undergraduate Affairs
James Madison College
